VOLUNTEER EXPERIENCE

Service to Local People

Student Partnership Worldwide (SPW), UK

Aug 1997 – Mar 2001

Volunteer Duration: 3 years 8 months

Cause: Social Services to the local people of the remote village of Baglung District of Nepal.

Awareness program for environmental protection and gender equality. Conducted training on how to make a local smokeless stove.

Oral and General Health Care

AMDA-MINDS, NEPAL,

Dec 2010 – May 2012

Volunteer duration: 1 yr. 6 months

Cause: Health service to local people of the remote village of Rupandehi district. Conducted oral health camps and school toothbrushing program for 15 months in a primary school in the same village.

Post-Earthquake Relief Works

During my holiday visit to Nepal in summer vacation of 2015 I actively participated in post-earthquake relief activities. I treated many sufferers free of cost for their injury in the maxillofacial region (health care and psychological support) for those migrating to Chitwan from earthquake destructed area Barpak of Gorkha district.

CVID-19 Activities

- As an Oral & Maxillofacial Surgeon in COVID hospital (Bharatpur Hospital), I treated many corona virus infected cases having Oral and facial problems such as facial space infections,

facial swelling, orofacial pain, Motor vehicle accident (MVA) cases with maxillofacial trauma and injury.

- Involved actively in formulation of National Guidelines for dentistry during COVID-19 pandemic “**Interim Guidance For Dental Practices During COVID 19 Pandemic In Nepal**”
- **Member, of NDA –COVID 19 Steering Committee**
- **Coordinator, NDA-Reopen Dentistry Committee**
